

VIAGGIO

LAGO V
MODEL YEAR 2026

[lah-go] (noun), Italian for Lake

The only thing that's entry level about our standard Lago series is the price. Featuring a stout frame, fiberglass helm, blacked-out rails, matte fencing, and a number of available layouts, the Lago V sets the standard for its class

FLOORING

Styles

Compass HB marine flooring combines PVC and Olefin yarns to deliver a unique blend of style, comfort, and performance. Its hybrid woven construction pairs the strength and durability of PVC with the rich design, depth, and softness of Olefin. These fibers are built to resist degradation, mold, mildew, and stains—making maintenance simple and worry-free. On the underside, a fused urethane foam backing adds cushion and comfort underfoot. Built for long-term performance in tough marine conditions, Compass HB is designed to look great and perform even better for years to come.

THATCH QUARTZ

TEAK II ARTISAN

Key Features:

- Beautifully crafted to coordinate with seating vinyl and fabrics for a seamless, integrated look.
- Engineered to withstand harsh marine environments—fade, degradation, and crush resistant.
- Demonstrates minimal water retention compared to similar products.
- Enhanced with Microban® for built-in antimicrobial protection.
- Easy to clean – just hose off and allow to dry.
- Made in the USA.

NEW FOR 2026:

MORE *Style*. MORE *Choice*. MORE *Value*.

The Lago V now offers more ways to make it your own. For the first time, choose from two distinct flooring and furniture pairings, add an exterior accent stripe color, and enjoy upgraded furniture fabrics with a more elevated look and feel. As an entry-level model, these new standards deliver unbeatable value and help you stand out ahead of the competition.

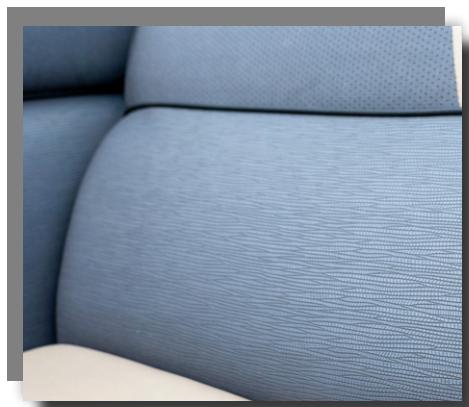

flooring

We've expanded the Lago V Series with a new flooring option, giving you more freedom to customize your boat's look and feel.

furniture

We've introduced new furniture fabrics to the Lago V Series, bringing a more elevated, modern look to every detail.

decals

Enhanced decals bring an automotive-inspired design to the boat, adding bold style and a sleek, modern edge.

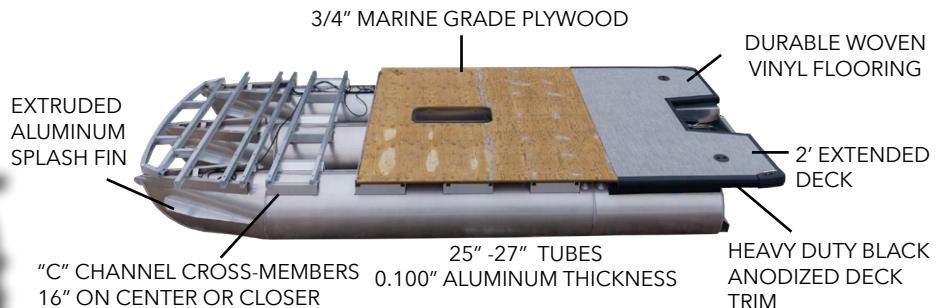

stripe

Previously limited to a single fencing color, the Lago V Series now features stripe options for a more personalized exterior design.

CONSTRUCTION & *Craftsmanship*

AUTOMOTIVE & RESIDENTIAL STRUCTURE

The majority of our structural cross-members are 16" on center similar to home construction. This provides a better structure and one that can take on many years of use.

DRY RIDE

We include oversized spray deflectors on all our boats to make a dry ride every time.

TOUGH FRONT END

Our boats have an extremely durable front bumper that is fully welded, created from reinforced 3" extruded aluminum C-channel.

UNRIValed WELDS

Our team uses a combination of TIG hand welding and robotic MIG welds. We are so confident in our work that we provide a Limited lifetime warranty on all our welds!

CONSISTENT PRODUCTION

Every boat we build is on the same production line and crafted with the same excellence and integrity across the board.

ENGINEERED FOR *performance*. BUILT FOR *durability*.

BUILT TO LAST. BACKED BY VIAGGIO.

Included Standard with each of our 2026 Pontoon Boats

LIMITED LIFETIME STRUCTURAL WARRANTY

On all seam welds, including pontoon assembly, deck risers, and motor mounts for the original retail purchaser under non-commercial use.*

10 YEAR LIMITED WARRANTY

On all seam welds, including pontoon assembly, deck risers, and motor mounts for the original retail purchaser under non-commercial use.*

LIMITED LIFETIME DECKING WARRANTY

On all plywood decking from manufacturing defects, fungal decay / rot, and termites.*

On vinyl coating fabrics to remain free from defects in the materials and workmanship from the date of purchase.*

10 YEAR LIMITED WARRANTY

From bow to stern*

*This revised warranty applies to all 2026 models purchased after August 1, 2025. Exclusions apply, see manufacturer's warranty for complete details, exclusions, limitations, and required maintenance and care.

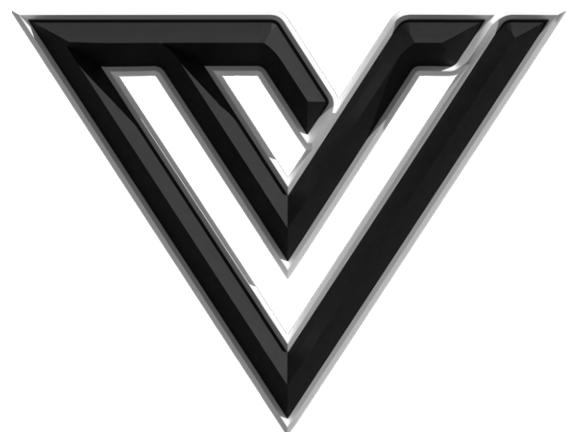

FROM TRAILERS TO TOONS

Our first Viaggio was built in 2020, but our history begins long before that. We're family owned by a team with a long history of success in manufacturing-rich Elkhart County, Indiana. From owning and operating the number one living quarters horse trailer manufacturer to various other industry-leading recreational vehicle manufacturers and parts vendors, our team knows what it takes to not only build quality products, but also build and maintain quality relationships.

Viaggio Marine took this manufacturing experience (with a focus on quality, service, and value) and applied it to our cutting edge Viaggio pontoon boats. After considering the bold angled lines resembling a V, we only felt it fitting to name this newly-developed product "Viaggio," the Italian word for journey. We proudly build our pontoon boats with the finest craftsmanship and strongest construction in the industry. So whether you're young or old and whether you're seeking a boat for cruising or performance, Viaggio Marine manufactures a complete lineup of heavily constructed, bold looking boats that can do it all!

VIAGGIO

[VEE-AG-G-OH] (verb), Italian word for Journey or Voyage
