DESIGN YOUR

FLOORING

Styles

Compass HB marine flooring combines PVC and Olefin yarns to deliver a unique blend of style, comfort, and performance. Its hybrid woven construction pairs the strength and durability of PVC with the rich design, depth, and softness of Olefin. These fibers are built to resist degradation, mold, mildew, and stains—making maintenance simple and worry-free. On the underside, a fused urethane foam backing adds cushion and comfort underfoot. Built for long-term performance in tough marine conditions, Compass HB is designed to look great and perform even better for years to come.

STANDARD OPTIONS

Castle Anthracite

UPGRADE OPTIONS

Lakeport Plank Shadow

Lakeport Plank Flint

Key Features:

- Beautifully crafted to coordinate with seating vinyl and fabrics for a seamless, integrated look.
- Engineered to withstand harsh marine environments—fade, degradation, and crush resistant.
- Demonstrates minimal water retention compared to similar products.
- Enhanced with Microban® for built-in antimicrobial protection.
- Easy to clean – just hose off and allow to dry.
- Made in the USA.

2026 POPULAR Options

Viaggio takes pride in building boats that combine innovation, quality, and comfort - designed to make life on the water effortless. Explore some of our most popular features for 2026.

POWER POLE

Hold Steady with Confidence.

Our 8' Power Pole option allows you to anchor quickly and securely! Perfect for when you're beached up for swimming, relaxing, or just wanting to stay in your favorite spot.

THREE DRAWER CHAISE STORAGE

More Drawers. Less Clutter.

With three spacious drawers built into the chaise, you can easily store gear, towels, and snacks – keeping everything organized while you enjoy the water.

AIR INFLATION STATION

More Tubing. Less Waiting.

From sunrise to sunset, the Air Inflation Station keeps your tubes pumped up and ready for nonstop fun on the water.

WASHDOWN STATION

Mess Happens. Cleanup Is Easy.

From sandy feet to accidental spills, the wash down station helps you keep your deck clean so the fun never has to stop.

TETRAPAD

Smart Storage for Big Fun.

Our Tetrapad option offers the perfect spot to secure your tube or Lily Pad float pad, keeping your deck clean and your gear ready for action.

TRASH & PAPER TOWEL W/ DOG BOWLS

Clean Boat. Happy Crew. Happy Pup.

Keep your pontoon tidy with dedicated trash and paper towel storage – plus built-in dog bowls for your four-legged co-captain.

LILLIPAD DIVING BOARD

More Splash, More Smiles.

Designed for endless excitement, the custom Lillipad diving board brings big fun to every day on the water. With our standard ghost mounts, you can seamlessly swap the diving board for the Lillipad flagpole kit.

TOWER SPEAKERS

Big Sound, Open Water.

Engineered for performance, our upgraded tower speakers provide rich, immersive sound you can feel – wherever the day takes you.

TABLE AND LEG HOLDER

Less Clutter. More Room to Relax.

Store your table and legs securely with Viaggio's custom holder, so your deck stays open, organized, and ready for fun.

CONSTRUCTION & *Craftsmanship*

AUTOMOTIVE & RESIDENTIAL STRUCTURE

The majority of our structural cross-members are 16" on center similar to home construction. This provides a better structure and one that can take on many years of use.

DRY RIDE

We include oversized spray deflectors on all our boats to make a dry ride every time.

TOUGH FRONT END

Our boats have an extremely durable front bumper that is fully welded, created from reinforced 3" extruded aluminum C-channel.

UNRIValed WELDS

Our team uses a combination of TIG hand welding and robotic MIG welds. We are so confident in our work that we provide a Limited lifetime warranty on all our welds!

CONSISTENT PRODUCTION

Every boat we build is on the same production line and crafted with the same excellence and integrity across the board.

ENGINEERED FOR *performance*. BUILT FOR *durability*.

BUILT TO LAST. BACKED BY VIAGGIO.

FROM TRAILERS TO TOONS

Our first Viaggio was built in 2020, but our history begins long before that. We're family owned by a team with a long history of success in manufacturing-rich Elkhart County, Indiana. From owning and operating the number one living quarters horse trailer manufacturer to various other industry-leading recreational vehicle manufacturers and parts vendors, our team knows what it takes to not only build quality products, but also build and maintain quality relationships.

Viaggio Marine took this manufacturing experience (with a focus on quality, service, and value) and applied it to our cutting edge Viaggio pontoon boats. After considering the bold angled lines resembling a V, we only felt it fitting to name this newly-developed product "Viaggio," the Italian word for journey. We proudly build our pontoon boats with the finest craftsmanship and strongest construction in the industry. So whether you're young or old and whether you're seeking a boat for cruising or performance, Viaggio Marine manufactures a complete lineup of heavily constructed, bold looking boats that can do it all!

VIAGGIO

[VEE-AG-G-OH] (verb), Italian word for Journey or Voyage
